

CHAIRMAN'S MESSAGE

Following the extraordinary success of last year's event, which netted in excess of **\$500,000** for local kids, it is a privilege, on behalf of my wonderful committee, to host the **28th Annual Seminole Region Charity Golf Tournament** at Boca West Country Club. It is the 24th year that the Club has hosted the event, and once again the Members of Boca West have graciously donated the use of their Club for virtually two full days. The committee is greatly appreciative to the members and Board of Governors for their generosity.

Many of the club industry's leading corporate partners continue to support our event without hesitation. But none more so than the following who have generously supported us year after year with **\$35,000** or more in cash and donations: Byron Russell, CEO of **Cheney Bros, Inc.**; Nathan Sams, President of **Sysco Southeast Florida**; Tim Merrett, Global Head of **John Deere Golf**; and Tom White and Mark Raiger of **Republic National Distributing Company**; and Joel Clendenin of **The Event Group Design & Décor**. Our event could not take place without the continuous commitment from partners such as these and every year their contributions inspire others to come on board with our fundraising efforts!

The singular objective of this event is to make a dramatic difference in the lives of thousands of children in need through our beneficiaries. Every year it is our goal to exceed the previous year in our effort to continue being a special part in their lives! To that end, you will enjoy what is renowned as one of the most extraordinary events on the social calendar in a county where first-class is customary!

We look forward to welcoming you and thank you for your support of this magnificent charity event for the children.

Warmest wishes,

Jay DiPietro, CCM
Tournament Chairman

CMAA & SEMINOLE REGION CHARITY GOLF

Established in 1927, the Club Managers Association of America (CMAA) is the oldest, most respected Association representing the club management profession. CMAA's 7,000 members operate over 4,000 country, golf, tennis, city, athletic, faculty, yacht, beach, town, social, and military clubs. CMAA is represented by Chapters in all 50 states and has a presence on 30 university and college campuses. CMAA's mission is to fulfill its members' education and professional development needs, and to assist clubs, through the manager, to secure the utmost in successful operations.

Through the "Clubs Collecting for Communities" initiative, CMAA promotes community activity in all 50 Chapters. In the Florida Chapter, which comprises 11 percent of CMAA, all five regions hold annual charity golf tournaments. The Seminole Region (Vero to the Keys) is the largest, and the event is its finest testimony.

It began in 1991, when the two CMAA Chapters in Florida merged to become one, with five regions. The project for a Charity Golf Tournament in the Seminole Region was the brainchild of a group, including the event's patriarch, Jay DiPietro, CCM.

Perennial Chairman DiPietro saw increasing momentum for the event develop from his vision and infectious leadership, which led to the strategic decision by a dynamic Committee to award proceeds only to local-community children's organizations.

Consequently, some of the club industry's leading corporate partners, such as Cheney Brothers, Inc. and Sysco Southeast Florida, dramatically elevated their commitment. Their lead inspired others to step up, including John Deere Golf, Republic National Distributing Company and The Event Group Design & Decor.

Last year's collective effort at Boca West pushed the total amount raised for kids by the Seminole Region Club Managers' tournament to the **\$7.2 million** mark.

SOME OF THE CHARITIES WHO HAVE BENEFITED OVER THE YEARS

Special Olympics provides year-round sports training and athletic competition for persons eight years of age and older with mental disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in a sharing of gifts, skills, and friendship with their families, other Special Olympic athletes and the community. We have contributed approximately \$2.6 million to Special Olympics Palm Beach County.

SOS Children's Villages – Florida (SOS), makes it possible for abused, abandoned and severely neglected children to experience the meaning of home and family. In the village, children are assured caring parents, brothers and sisters, and a full and happy childhood. We have donated nearly \$2.150 million to help support the children who call SOS home.

The Unicorn Children's Foundation provides leadership, education and resources to illuminate a new perspective of individuals with neurodiversity as uniquely talented and capable who can be productive and fulfilled members of society. They have received \$260,000 from our event.

For more than 40 years, Florence Fuller Child Development Centers (FFCDC) has provided affordable childcare, quality pre-school, enriched afterschool and summer camp to children from low income families. We have contributed \$350,000 to assist.

Place of Hope cares for 265 children and youth in our region on a daily basis through one of their five campuses or traditional foster homes. They provide a full continuum of care for children in foster care, pregnant teens, victims of domestic minor sex trafficking and those who have "aged-out" of care. Place of Hope at The Leighan and David Rinker Campus (formerly Place of Hope at The Haven Campus) currently houses two programs for foster children and former foster youth with plans to add two additional family-style cottages, as well as the expansion of their transitional living program, Villages of Hope, for 18-25 year olds. We have contributed \$350,000 to assist.

A National youth development organization that teaches Nine Core Values and Nine Healthy Habits using golf as the method of delivery with many community partners including Boys and Girls Clubs, YMCAs, Big Brother Big Sisters and PAL. We have contributed \$90,000 to assist.

4KIDS is propelled by the vision of a home for every child. Whether that is a child removed from their home for the first time, siblings who need to stay together, a young mom in a unplanned pregnancy who needs a refuge, or a young adult who needs a place to belong, 4KIDS is there with hope and homes. We have contributed \$80,000 to date.

In addition to the many charities who benefit from this event and are not listed above, including the Toys for Tots program, the Seminole Region Charity Golf Tournament has donated over \$875,000 worth of toys during the holiday season to children in need throughout Palm Beach County.
