Highlights:

1. 22 Association Education Credits!

After completion of the program, you will have covered all of the CMAA core competencies - Club Governance; Interpersonal Skills; Leadership; Accounting, Finance, and Data Analytics; External Governmental Influences; Human and Professional Resources; Membership and Marketing; Facilities Management; Food and Beverage; Golf, Sports, Recreation, and Wellness; and Information Technology. **PLUS you will have earned 22 association education credits.**

2. The Investment

Time: You will have 9 months to complete the program.
Financial: \$850

3. The Convenience

This training is self-paced and online. This means you can work to complete each chapter and begin to implement what you've learned into your organization immediately.

4. The Recognition

RCSU will send updates to your General Manager and Chapter Managing Director when you start and complete the program. You will also see yourself climb the leaderboard on the platform as you gain education credits.

5. Network Expansion

This program also provides you with the opportunity to connect with other club professionals using the RCSU "community" feature, which provides you with an expanding networking opportunity.

6. Ongoing Support

The RCS and RCSU team will be there every step of the way to ensure your experience with the program is seamless and engaging. We are also here to answer any additional questions you may have about ongoing education or training.
